

OrgDS provides cheap bulk messaging services and online contact directory management in Nigeria with automated birthday and anniversary SMS feature. Our SMS channel delivers to all networks in Nigeria including mobile numbers with **DND** activation. We provide necessary features and tools to manage, organize and access contact directory, send custom bulk and automated messages for both personal and organizational use.

To use the features of this platform, you need to create an account, confirm your email address and login to your account.

Click [here](#) to create an account.

Fill out the fields in the form on the registration page and then hit the Register button.

[Already have account? Login](#)

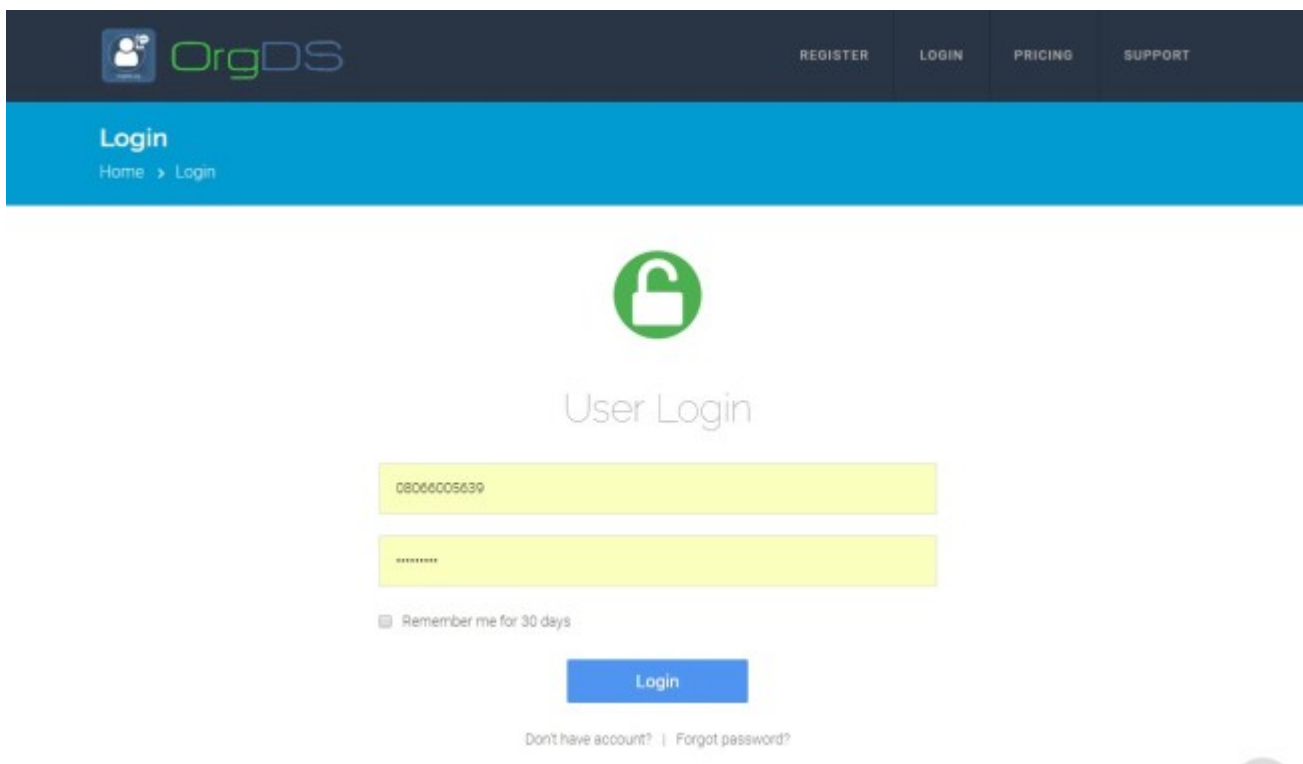

A confirmation email will be sent to your email. Check your email (inbox/updates/spam box) for the mail and then follow the instructions therein. Please note that it may take about 10 minutes to receive the mail but if don't receive the confirmation link/code in time, you can

retry sending an email confirmation code.

Once your email is confirmed, you can log in to your account [here](#).

## Log in to your Account

To login to your account, click [here](#).

The screenshot shows the OrgDS User Login page. At the top, there is a dark blue navigation bar with the OrgDS logo on the left and links for REGISTER, LOGIN, PRICING, and SUPPORT on the right. Below the navigation bar is a blue banner with the word "Login" and a breadcrumb trail "Home > Login". The main content area is white and features a green padlock icon with the text "User Login" below it. There are two yellow input fields: the first contains the username "08066005639" and the second contains a masked password "\*\*\*\*\*". Below the password field is a checkbox labeled "Remember me for 30 days". A blue "Login" button is positioned below the checkbox. At the bottom, there are links for "Don't have account?" and "Forgot password?".

- Enter your registered username or email address and your password in the appropriate fields.
- Hit the Login button. You will be redirected to your account dashboard on a successful login.
- Now, you can start to manage contact directory and send bulk SMS.
